Legacy Packets

If you did not receive your legacy packet of materials last week on Legacy Sunday, you may pick one up in the entrance of the church (narthex) before and after Sunday services. This will allow us to save money by not having to mail them.

On Sunday, July 21, the Endowment Committee of St. Margaret's provided an informational brochure and letter at church during the 8 and 10 am masses that prompts us to reflect on the countless blessings we have received from God.

We recognize that everything we have and all that we are is a gift from God. God has given us life, family, and material blessings. As children of God, we are called to be stewards of these gifts, leaving a spiritual and material legacy for future generations.

A legacy gift to St. Margaret's can create a vital impact, both spiritually and materially, for decades to come. Join us in celebrating and planning for our parish's enduring legacy!
